

*****Announcement for Full-time Faculty Members*****

ASEM-DUO FELLOWSHIP PROGRAMME

You are a professor, a researcher or a lecturer in a higher education institution of Asia or the Wallonia-Brussels Federation?

You are looking for an exchange of 1 to 3 months with a colleague from Asia or from the Wallonia-Brussels Federation?

The ASEM DUO Fellowship Programme offers the possibility to professors, lecturers and researchers to do an exchange by pair in Asia and in the Wallonia Brussels Federation.

The application must be formally submitted by the institution belonging to the FWB, as ONE single PDF document to the following address: international@ares-ac.be

Applications must be submitted between 15 February and 24 April 2019. No applicants will be accepted beyond the deadline of 24 April 2019

Eligibility criteria

1. The applicants must meet ALL eligibility requirements:
 - Applicants must be member of the academic or scientific staff of an institution of a Wallonia-Brussels HEI or an Asian HEI (i.e. they must be remunerated by the HEI and it must be their main occupation). However, the following groups are not entitled for a fellowship:
 - Students and PhD students;
 - Professors emeritus, honorary professors;
 - Teaching assistants;

2. The Wallonia-Brussels and Asian HEIs must be recognised/accredited by the competent authorities in the field of higher education;
3. The Asian institution must be located in one of the following countries: Australia, Bangladesh, Brunei, Cambodia, China, India, Indonesia, Japan, Kazakhstan, South Korea, Laos, Malaysia, Mongolia, Myanmar, New Zealand, Pakistan, Philippines, Russia, Singapore, Taiwan, Thailand and Vietnam;
4. The Wallonia-Brussels and Asian HEIs must signed a cooperation agreement or must have expressed the intention to sign one in the two following years;
5. The applicants who already begun the exchange before the 1st August 2019 do not qualify for the grant;
6. According to the framework established by ASEM-DUO, the citizenship of the professors is not a criterion for eligibility;
7. The fellowship programme is open to all disciplines.
